Water Pressure Maximum: 85.0 psi
Water Pressure Minimum: 20.0 psi
Water Pressure Recommended: 45.0 psi

INSPIRATION

A blend of art and function, Dash pays homage to design elements of the 1930s with pared-down shapes, softened curves and minimal details.

PRODUCT FEATURES

Pared down shapes, softened curves and minimal details inspired by design elements from the 1930's.
Single hole pull out features a sliding toggle to go between an aerated stream and jet spray.
Lever handle and right hand option only.
Handle turns toward the front to prevent contact with backsplash.
Standard flow rate is 2.2gpm (8.3 L/min) and State of California requires a maximum of 1.8gpm(6.8 L/min). Also available in high efficiency flow options. Contact a sales associate for details.
